Keeping me safe at home and at school

We check with a grown up before using the internet.

We tell a grown up if something we see makes us feel worried.

If we get stuck or lost on the internet we will ask for help.

We can write polite and friendly messages to people we know.

We will keep our personal information, our name, address, our school, our pictures "Top Secret" and not share on the internet.

We will not bring mobile phones or other electronic devices (e.g. tablets, ipods, games consoles) to school.

Permission to take and use photographs of children

Sometimes we take photographs of the children. These are mainly used for educational reasons but occasionally we may use these images in our publicity or the schools prospectus or in other printed publications as well as on our website and class blogs. We may also make video or webcam recordings for school-to-school conferences, monitoring or other educational use.

From time to time, our establishment / school may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Pupils will often appear in these images, which may appear in local or national newspapers, websites or on televised news programmes.

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child. Please answer questions 1 to 4 below, then sign and date the form where shown.

Conditions of school use

1. This form is valid for five years from the date you sign it, or for the period of time your child attends this school or setting. The consent will automatically expire after this time. It is your responsibility to let us know if you want to withdraw or change your agreement at any time.
2. We, the school, setting or service, will not use the personal details or full names (which means first name **and** surname) of any child in a photographic image on video, on our website, in our school prospectus or in any of our other printed publications.
3. We will not include personal e-mail or postal addresses, or telephone or fax numbers on video, on our website, in our school prospectus or in other printed publications.
4. If we use photographs of individual pupils, we will not use the name of that child in the accompanying text or photo caption, unless we have your agreement.
5. If we name a pupil in the text, we will not use a photograph of that child to accompany the article.
6. We may include pictures of pupils and teachers that have been drawn by the pupils.
7. We may use group or class photographs or footage with very general labels, such as “a science lesson” or “making Christmas decorations”.
8. We will only use images of pupils who are suitably dressed, to reduce the risk of such images being used inappropriately.
9. **As the child’s parents/guardian, we agree that if we take photographs or video recordings of our child/ren which include other pupils, we will use these for personal and family use only.** I/we understand that where consent has not been obtained from the other parents for any other use, we would be in breach of the Data Protection Act 1998 if we used our recordings for any wider purpose.
