If you Care, Share

Every class has recently taken part in workshops to discuss ways to manage feelings and how it is good to share any worries. Staff have also been given training on this. Excellent advice for staff and pupils alike.

Bowel Cancer research

Last week we held a non-uniform day raising funds for the Bobby Moore Foundation supporting Bowel Cancer Research - we raised a fantastic £80.10 for this very deserving cause.

Class 1 update

Class 1 have had a busy start to the new term and they have been learning about New Life,

they have used an incubator to hatch some chicks and have spent the last week learning how to care for them. They also visited a local farm to see the

sheep and lambs as well as meeting some chicken and horses too - they thoroughly enjoyed the little visit and were praised by the farmers for such fantastic behaviour! Well done!

SATS Week

It is almost time for our Y6 and Y2 pupils to sit their SATS so can we please ask that you help your child by making sure they get plenty of fresh air and lots of sleep over the next couple of weeks so that they are refreshed and ready to learn. Also it is important for children to attend school every day as staff are trying their best to prepare children with practice papers and study sessions.

European Elections

School will be closed for Polling on Thursday 23rd May.

Butterwick Hospice money

The Easter Flumpets sold this year raised £90 for the hospice. Thank you to everyone who bought one.

Beamish Trip

The Beamish trip was a huge success, the children behaved well and enjoyed the experience very much despite the cold weather.

Dates for the diary

Monday 6th May
Monday 13th May
