

Sunnybrow Primary School Policy on Pupils with Health Needs

Adopted by the Governing Body on 27th February 2020

To be reviewed February 2022

1. Introduction

A number of pupils may experience difficulties in maintaining continuity of their education because of health issues at some time during their school career. These issues may be short or long-term, to which Sunnybrow Primary School needs to respond in order to ensure that all pupils access their statutory entitlement to education.

Sunnybrow Primary School is committed to promoting inclusion, equality of opportunity and continuity of education for all pupils with health needs.

This policy applies to pupils who are temporarily unable to attend school because of illness, injury, pregnancy, anxiety and identified mental health problems.

The purpose of this policy is to reflect and to confirm Durham County Council's statutory duties in accordance with:

- Section 19 of the 1996 Education Act which states that Local Authorities have a duty to 'make arrangements for the provision of suitable education at school or otherwise than at school for those children of compulsory school age who by reason of illness, may not for any period receive suitable education unless such arrangements are made for them'.
- DfE statutory guidance January 2013 – 'Ensuring a good education for children who cannot attend school because of health needs'.
- Equality Act 2010

2. Shared Roles and Responsibilities

Ensuring access to education for pupils with health needs is the responsibility of the Local Authority and Sunnybrow Primary School.

Local Authority Responsibilities

The Local Authority is responsible for ensuring that:

- There is a named Local Authority officer with responsibility for the co-ordination of educational provision for young people who are unable to attend school because of health needs. **The named Local Authority Officer is Helen Perfect.**
- Pupils with health needs are not at home or in hospital without access to education for more than 6 school days.
- Pupils who are unable to attend school because of illness or injury have their educational needs identified early and receive appropriate educational support as quickly as practicable.
- Pupils receive a minimum entitlement of 5 hours teaching per week.
- There is a close liaison between parents, pupils, schools and other agencies.

The Local Authority must arrange suitable full-time education (or as much education as the child's health condition allows for) for children of compulsory school age who, because of illness, would otherwise not receive suitable education.

Support and Alternative Arrangements Provided by the Local Authority

- Information, advice and support to pupils, parents/carers, schools and other agencies about pupils with health needs (physical, emotional and mental).
- Teaching, where appropriate, in Local Authority venues, at home or in hospital.
- Support towards school reintegration.
- Information about the provision the Education Health Needs team can offer.
- Input into multi-agency meetings.
- Training to schools and other agencies.

The School's Responsibilities

Sunnybrow Primary School has a responsibility to:

- Have a clear policy and named person responsible for pupils who are unable to attend school because of health needs. The named person is Mrs Suzanne Binks (Headteacher).
- Have a named governor responsible for reviewing the procedures that apply to educating pupils with health needs. The named governor is.....
- Ensure that the pupil remains on the school roll.
- Establish guidelines for staff on maintaining meaningful contact with pupils and parents when a child is absent through health needs.
- Seek confirmation of ill health and make reasonable adjustments to maintain continuity of access to education.
- Refer pupils to the Education Health Needs Team if the pupil is, or is likely to be, absent from school for more than 15 school days because of health needs.
- Work in partnership with the Education Health Needs Team to provide information about the pupil's strengths and needs.
- Provide the Education Health Needs Team with robust work plans to ensure continuity of progress.
- Facilitate appointments with key teachers and/or subject specialists.
- Share information in order to maintain an up to date record of the pupil's progress.
- Liaise regularly with the Education Health Needs Team to monitor provision, review progress and support reintegration.
- Ensure pupils have access to public examinations.
- Ensure that the needs of a pupil with an EHCP are met.
- Ensure that the views of the students and parents/carers are taken in to account.
- Maintain a regular review system.
- Make reasonable adjustments to maintain good attendance and progress once the child has resumed attendance at school.
