First Aid training KS2

KS2 had first aid training this week from St John's Ambulance - they all really enjoyed it and felt they have learnt a lot from the course.

challenge, a magnificent total of £588 was raised for the children's cancer charity and school fund, split between them.

Lateness

If your child is persistently late it can affect attendance percentages and lead to fixed penalty fines from the local authority - it is not only disruptive for your child but for the rest of the class.

Year 6 trip to Newcastle University

Our Year 6's visited Newcastle University for the day last week to have a taste of what it would be like to continue in further education. They had a great time and behaviour was excellent.

Reporting absences

If your child is absent from school for any reason you **must** call the office to let us know the reason by 9.30am. If we don't know why your child is absent it will be marked as an unauthorised absence which can also lead to fixed penalty fines from the local authority.

Class 2 at Portland House

Class 2 visited the care home Portland House to sing Easter and Spring songs for the residents there - they were very grateful for the visit and enjoyed hearing the children sing. Well done to Class 2!

Private driveways

We have had a complaint from a member of the public that driveways are being blocked by cars when people are visiting school - would you please ensure that you park considerately at all times.

Class 4 trip to Hardwick Park

Another trip this time to Hardwick Park for the whole of Class 4 - despite the weather being horrible they enjoyed their day in the park and the activities.

Staff car park

A number of parents are still using the staff car park when picking up and dropping off children. This is a health and safety issue and we would ask that **parents do not use the staff car park at any time.**

Colouring competition

Many thanks to all parents/carers who sponsored the children for our fundraising

Playgroup closure

Unfortunately our playgroup has had to close due to Surestart being unable to send a member of their team anymore. Many thanks to Yvette for her help in running it.

Friends of Sunnybrow

Would anyone be willing to join our parent group Friends of Sunnybrow? Help is needed to organise activities such as the school fairs, etc and our numbers are very low. Please come along and join in - any new people and ideas are always welcome!
