World Book Day

The children have enjoyed a day of reading activities to celebrate world book day. We have a masked Reader challenge for you all. Follow this link and watch the video then try and guess the title of the book and the member of staff reading it. <https://youtu.be/4-leS-4O-nl>

Tree Planting

Class 3 and Class 4 have been planting some trees in Willington with Oases. Luckily the weather was good. The children enjoyed themselves and learned more about why trees are important for the environment.

One Step At a Time

The charity has been in to school to do some work with our playground buddies to train them in their new roles of supporting others in the playground. Our buddies are Anya, Evie-Grace, Casey, Indie, Hope and Evie-Mai.

Quotes from Kai

"If you see someone without a smile, give them one of yours!"

Parents Evening

Parents evening will be held again on 15th March. Teachers will be in touch soon to make arrangements.

Wellbeing Tip of the week

Avoid using electronic devices for 1 hour before bed time. The blue light affects

production of melatonin which is the hormone that controls your

sleep-wake cycle. We all feel better with a good nights sleep!

Reminders

Please could everyone collect and bring to school their Bottle Tops for our entry into the competition to win £5000 for our school playground.

Dates for the diary

Tuesday 15th March

Tuesday 22nd March

Friday 8th April

Monday 25th April
