Happy FriYAY everyone! Another successful week completed at Sunnybrow. This week, some of our subject leaders have been going into lessons to observe all of the wonderful learning that is taking place in their subjects across school. Miss Murphy leads Science and she was very impressed with the quality of teaching and learning that she observed. Our teachers have worked incredibly hard to ensure that our Science curriculum is exciting and practical-lots of hands-on learning!

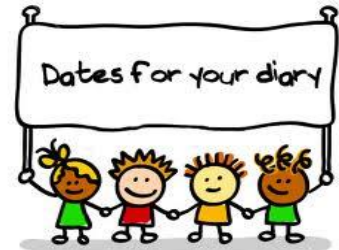

As well as teaching in Classes 3 and 4, I have also had the pleasure of listening to some children read across school. There aren't many children in school that I didn't teach in their early years, so it was fantastic to see how hard the children are working and the amount of progress they are making.

### Sporting Success!

Some of our Class 4 pupils have been representing our school in the Dodgeball CVL at Bishop Barrington. This week they won both their matches, beating Blessed John Duckett 3-1 and Prince Bishops 2-1. We might be small but we are mighty!

### Inside out day!

On Friday 10<sup>th</sup> February our school will be helping to raise money for the If U Care Share Foundation, who are a mental health charity, who work hard to promote positive mental health and wellbeing and prevent suicide. We have worked with this charity a number of times. They are hosting an inside out day. On 10.02.23, all children are invited to come into school wearing something that is 'inside out' for a small donation.
