What a week! It's been a busy one, especially with our visitors on Thursday. As always, the children and staff made me incredibly proud-I really do love this little school, and love to watch the changes that are taking place and the progress everyone is making. Today, we have had Mrs Graham-Scott in covering Class 3 and she has loved her morning in Sunnybrow, commenting that the school feels like family. This is what staff strive to achieve every day, so it is lovely to have this acknowledged.

Our Wider Curriculum

There have been trips and visits galore this week. On Monday, Class 1 and Class 3 went to Bowes Museum. Class 1 were learning all about homes in the past and Class 3 explored and made Roman artefacts. Behaviour was exemplary and lots of fun was had. On Tuesday, as well as it being Safer Internet Day,

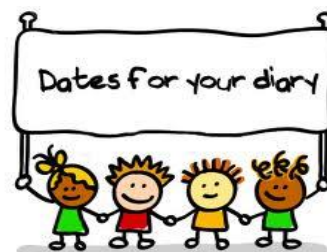

Meghan from Chartwells (our lunch provider) came in to do workshops with the children on eating a balanced diet. Class 1 & 2 tasted different fruits and the older classes made

chocolate humus. We have had Mini-police in working with Class 3 and some Class 4 children have represented the school in Dodgeball and Badminton.

Children's Mental Health Week

Promoting emotional wellbeing and mental health is at the centre of everything we do at Sunnybrow. Our children are very knowledgeable on ways they can improve their emotional wellbeing and mental health and we continue to develop this through our PSHE and RSE lessons.

Today, children and staff have come into school with their clothes inside out. This is to support the charity 'If U Care

NEU Teacher Strike

The NEU teacher's union are intending to strike again on Tuesday 28th February. I will be in touch next week to let you know our intended opening plan.

Arbour

We now have a new management information system in school called Arbour. In the near future, there will be an app for parents and we will be moving towards taking electronic payments through it and you will also be able to sign consent forms etc on there too. More information to follow.
