Issue Number: 11

Welcome to the weekend everyone. I can't believe we are entering the final week of the Spring term. This week, we gained a new award for school: Historic England's Heritage Schools Award. This is for the work Class 4 have done with Northern Heartlands learning about the history of Willington and Sunnybrow. Well done Class 4 for all your hard work and a huge thank you to the team from Northern Heartlands too.

Class 3's Reading Event

Reading is one of our top priorities at Sunnybrow. As the great Dr Seuss said, "The more that you read, the more things you will know. The more that you learn, the more places you will go." On Monday, Class 3 welcomed parents into class to share their current class text Charlotte's Web and then share stories. Thanks to the parents that came to support the event.

World Down Syndrome Awareness Day

We supported World Down Syndrome Awareness day this year by coming into school and wearing odd socks. We are proud to be a school where everyone is welcomed, everyone is appreciated and everyone is supported to succeed.

Dress-down day

With the rising costs of bus hire (we were quoted nearly £500 for a trip to Beamish for 11 children), we are on a huge fundraising drive, so we can afford to do as many trips with the children as possible. Next Friday (31st March) children are invited to come into school in non-school uniform for a donation of £1.

Cyber Bullying

As a parent, cyber bullying is something that really worries me. It is so difficult to keep up with the many apps and to know who your child is connecting with online. Within school, we often hear from children that they have received unkind or threatening messages from another child, so we work really hard to ensure that our children know what to do to protect themselves. Parents, please check your child's phone and see who they are contacting, the nature of messages sent and what apps they are engaging with. I will also upload a leaflet to Class Dojo which outlines some measures you can take to help your child to stay safe online. The NSPCC and the Thinkuknow websites also have lots of useful information and activities for parents.

- Class 1: 84.8%
- Class 2: 84.8%
- Class 3: 97.8%
- Class 4: 92.9%
