Welcome back to the Friday Flyer-the first one of Summer term! The next few weeks are going to be busy in school. Lots of children will be taking part in Statutory Assessments throughout May and June:

- Year 6 have their Key Stage 2 SATs starting on 9<sup>th</sup>-12<sup>th</sup> May, Year 2 complete
- KS1 SATs throughout May (there is no specific timetable for this)
- Year 1 children complete their phonics assessment the week beginning 12<sup>th</sup> June
- Year 4 children complete the multiplication check the week commencing 6<sup>th</sup> June.

Our children are really well-prepared for these assessments and we make sure that they are delivered in a relaxed and non-threatening way. There is always a treat at the end of them too!

## Jubilee celebration

On Friday 5<sup>th</sup> May, we will be holding a whole-school Jubilee celebration. Children are invited in to school on the day dressed as Kings and Queens (no donation required). Throughout the morning, we will engage in some fun activities and we will be burying a time capsule and planting a commemorative tree.

On the afternoon, parents and families are invited into school for a Jubilee street party (weather permitting). We were going to hold this on the field, but due to recent rain, our field is still quite soggy! There will be food, games and hopefully some music on the yard. It will start at 1.30pm. We will also be holding a raffle (tickets to be sent home next week).

### Online Safety

Each week, I will bring you an online safety update. The online world is ever-changing and it can be so hard to keep up with it all. I have carried out a pupil voice activity this week

to help me gain an understanding of online use at home. A number of children reported that they play games or go on apps that are not age-appropriate such as Fortnite, Grand Theft Auto or Snapchat.

I've attached an age-limit guidance to the Class Dojo post for your information.
