Welcome to the weekend everyone! Another lovely long weekend. I hope you all have a fabulous time celebrating or just relaxing.

It's been a short week but full of busy as we prepare to celebrate the King's Coronation. The children have been making crowns and bunting, learning about King Charles III and preparing items to go in our time capsule. We have planted a commemorative apple tree too!

We were luckily enough to receive a free theatre performance from a travelling company. It was absolutely fantastic and taught the children about stranger danger and e-safety.

Class 2 held their parent reading event. That you to all the parents who came long to share stories with their children and learn about the Year 1 phonics test and Year 2 SATs. Children in Class 4 also took part in their cricket league last night. They beat Blessed John Duckett 93 wickets to 35 and lost to Wolsingham 88-72.

Charity Bag Collection

Don't forget-we are having a Charity Bag collection to raise money for our school fund on Tuesday 9th May. Please, if you need to have a clear out, bring in as many bags as you can as school get paid per kilo! We've already had some donations-you don't have to wait until the 9th to bring them in.

Online Safety

For all you parents with young gamers out there, I'm sure you will be familiar with Fortnite. It's one of the most popular video games on the planet at them minute and even if children aren't playing it, many are accessing the content by watching videos on YouTube! One in Four pre-teens are reported to have played the game despite its PEGI 12 age rating, so I've attached the latest National Online Safety guide to help to keep you informed.

- Bank Holiday: Monday 8th May
